BUSINESS & EVENTS

# FIND YOUR PERFECT SPACE...

At Whittlebury Park we have purpose-built and professional event and learning facilities which include 19 training and meeting rooms, 15 fully serviced syndicate rooms, an executive boardroom, three secluded private dining rooms, two conference and banqueting suites that can cater for up to 500 delegates as well as unrivalled leisure and team building activities. If that's not enough we have over 700 acres of land available for a variety of occasions and events

# MEETING ROOMS

Whittlebury Park invested £1 million in its Conference & Events spaces. Phase one of the significant project has commenced and includes a range of exciting new style room concepts, contemporary corridor seating and brand new coffee stations. The project is being led by Monica Hira of Hira Hospitality Interiors who has worked closely with the team at Whittlebury to design the new suite of inspirational spaces. Whittlebury Park's facilities include 19 Training & Meeting Rooms and 15 Syndicate Rooms, all of which will be included in the refurbishment. The project will see every element of the rooms being upgraded to introduce modern and functional fixtures and fittings as well as entirely bespoke elements and inviting colour schemes.
